

CONGRATULATIONS!

2008/2009 Sub-Zero and Wolf Kitchen Design Contest

On February 3, 2010, The Regional Sub-Zero and Wolf Showroom (Glendale Heights, IL) honored six winners and all participants of the 2008/2009 Sub-Zero/Wolf Kitchen Design Contest (KDC). Held over a two year time span, professional kitchen designers, builders and architects were encouraged to build high-end beautiful kitchens using Sub-Zero and Wolf appliances. With many categories and judged by professionals in the industry, the KDC is often referred to as the "Oscars of kitchen design." Prizes included cash (with a chance to receive \$15,000), local and national recognition, appliances, and even an all-expense-paid trip to the luxurious Breakers Hotel & Resort in Palm Beach, Florida. The KDC celebration included live music, cocktails, wine sampling from a wine expert, and hors d'oeuvres prepared by Sub-Zero/Wolf corporate chefs. The event was sponsored by *Chicago Home + Garden* magazine.

Winning a \$3,000 prize, the three local winners were Cheryl Ryan from Kitchens By Design (Elm Grove, WI), Tina Muller from Drury Design (Glen Ellyn, IL) and James Dase from Abruzzo Kitchens (Schaumburg, IL). The three regional winners included Denise Quade from Bella Domicile (Madison, WI), Patrick Landrosh from Landrosh Development (Chicago, IL) with Carla Schultz of Carla 1 Design (Chicago, IL), and Mick DeGiulio from de Giulio Kitchen Design (Wilmette, IL). All regional winners received a cash prize, a luxury trip to The Breakers Hotel & Resort in Palm Beach, Florida, as well as local and national recognition for their outstanding kitchen designs. Details for the 2010/2011 Sub-Zero and Wolf KDC will be announced soon. National winners and more details on the KDC can be found at subzero.com.

Also, the new Sub-Zero and Wolf Showroom opening inside LuxeHome in the Merchandise Mart is scheduled for a late 2010 grand opening.
